### ICC Product Activation

Thank you for your interest in Air and Missile Defence C2 software. Please enter the information requested below, to renew your ICC licence. Your **Site Id** is a unique key, which you should be able to find on the delivery letter and the receipt form (Annex A) of our delivery packages. **Without your site id we cannot process your request.**

#### Location Information

| Nation | Site Id | Organization | ICC Version |
|--------|---------|--------------|-------------|
|        |         |              |             |

#### ICC Server Solaris

Provide the host ID(s) and name(s) in the table. You will receive a key string in response. Type "hostid" and "hostname" on your Solaris server to get the information.

| Host ID | Host Name |
|---------|-----------|
|         |           |
|         |           |
|         |           |
|         |           |
|         |           |
|         |           |
|         |           |
|         |           |

#### ICC Server Windows

Attach your COSIPProduct.key file when submitting this form by e-mail. You will receive a COSILicense.key file in response.

#### ICC Client

Check here to request a client renewal. You will receive a key string in response.
