ICC Product Activation

Thank you for your interest in Air Command and Control software. Please enter the information requested below, to renew your ICC licence. Your **Site Id** is a unique key, which you should be able to find on the delivery letter and the receipt form (Annex A) of our delivery packages. **Without your Site Id we cannot process your request.**

Location Information

Nation	Site Id	Organization	ICC Version

ICC Server

Provide the following information if you are requesting an ICC Server (COSI) license key. You will receive a license key file in return. Leave empty if you are only requesting an ICC Client license key.

OS ¹	Host ID ³	Host Name ³	E ²	Purpose

1. Windows Server is only supported as an ICC Server platform up to ICC 3.4.0. Linux is only support as an ICC Server platform since ICC 3.5.0.
2. Enterprise license keys can only be requested by organisations (e.g. MoDs) but not by individual sites. Requesting an enterprise license (E 2) key is only possible for ICC 3.5.0 or newer. Enterprise license keys are only valid for a single ICC version. For new ICC versions a new enterprise license key is required.
3. Host ID and host name is only required for Solaris/Linux ICC server. Type "hostid" and "hostname" on your Solaris/Linux server to get this information.

!!! For **Windows Server** license key please attach your COSIProduct.key file from your ICC server when submitting this form by email. You will receive a COSILicense.key file in response.

ICC Client

Check here to request a client renewal. You will receive a key string in response.

Save as **Siteld.pdf** and send on public mail to airc2.productservices@ncia.nato.int
