JTS Product Activation

Thank you for your interest in Air C2 software. Please enter the information requested below, to renew your JTS licence. Your **Site Id** is a unique key, which you should be able to find on the delivery letter and the receipt form (Annex A) of our delivery packages. **Without your Site Id we cannot process your request.**

Location Information

Nation	Site Id	Organization	JTS Version

JTS Server

Provide the following information if you are requesting an JTS Server (COSI) license key. Leave empty if you are only requesting an JTS Client license key.

E 3	OS 1	Host ID 2	Host Name 2	Purpose

1. Windows Server is no longer supported. Oracle 19c is the only supported RDBMS (db).
2. Host ID and host name are required fields to be entered **ONLY** to request a server license. Type "hostid" and "hostname" on your server to obtain this information.
3. Enterprise license keys can only be requested by organizations (e.g. MoDs) but not by individual sites. Requesting an enterprise license (E 3) key is only possible for JTS **5.0.0** or newer. Enterprise license keys are only valid for a single JTS version. For new JTS versions a new enterprise license key is required.

Important Note: All JTS versions older than **5.0.0** are no longer supported. Please contact piotr.wasilewski@ncia.nato.int directly for any exceptions.

JTS Client

Check here to request a client renewal. You will receive a key string in response.
